**Golden Retriever Rescue of Houston Inc, (GRRH)** is a Texas non-profit, 501(c)(3) corporation founded in 2003 and dedicated to the rescue, foster care, welfare and placement of Golden Retrievers in the Houston, Texas area. GRRH is an all-volunteer group that provides temporary shelter; quality medical care and permanent homes for unwanted, abused or abandoned Golden Retrievers.

**Foster Care:** The backbone of GRRH is our foster program. In fact, we are limited to how many Goldens we can take into our program by the number of available foster homes. Fostering a Golden means caring for it as if it were your own — providing nourishment, exercise, basic obedience, security and love. The Golden is entrusted into your care until a permanent home can be found. Many of the Goldens have been abused or neglected. The care and love you provide is critical in enabling the Golden to successfully adapt to a permanent home. We take care to match the right dog to the right foster home. We consider the foster's experience, the dog's activity level, health and behavioral conditions, as well as other aspects. If you are interested in opening your heart and your home to providing care, security and love to a special Golden at a difficult time in his or her life, please indicate this in the volunteer section above. Of course, volunteers in any area are welcome—can you transport dogs? Write thank you notes? Help at a GRRH booth at events? Please let us know!
